Have FUN, Ride SAFE, & Good Luck

Chapter Challenge is intended to promote participation in the ALR family activities in a manner beneficial to the American Legion Family and rewarding to the Individual Rider member.

The Chapter Challenge pamphlets list activities which are connected to the Chapter, Post, and American Legion Program goals, and/or have been vetted by the Chapter.

The Chapter and Post calendars are populated with events that promote participation from members.

For the purpose of the Chapter Challenge, ONLY the categorized items in the pamphlet or listed on the Chapter activities will be given credit.

Activities other than Chapter Challenge can be added to the Consolidated Chapter Report.

Points are for all ALR Members whether they are the rider or the passenger on the bike.
