Dear American Legion Riders Missouri Chapter 005:

I want to personally thank you for your generous contribution of \$500 in 2020.

I hope you will take great pride in knowing that your donation helps ensure outstanding young men will have the opportunity to participate in Missouri Boys State. We are currently planning for the upcoming session to be the biggest session in Missouri Boys State history! Students from both the class of 2020 and the class of 2021 are invited to attend the program, thanks to sponsors like you.

The Missouri Boys State recruiting mission statement is...

"To recruit the highest caliber high school leaders from each school in the state of Missouri to participate in our program while best representing the diverse population of our state."

The support of many groups, organizations, businesses, and individuals throughout the state has allowed Missouri Boys State to do just that. We are grateful for your continuous support of the program.

In service,

Brad Lear, Director
